

Ticking Timebomb

All Girl Summer Fun Band

I always find a pic by the phone when I find myself alone,
And I write a love song about you.
You ask me if I'm blue and I tell you that I'm happy just think
ing about you.

You've turned my heart around and you let me see
A side of you that no one else has seen.
The lights are turned way down and you're whispering your thoug
hts,
Your fears, your worries and your dreams.
Do you know I worry on the inside,
I will find out that you were untrue.
My friends all tell me you're a ticking time bomb (he's a ticki
ng time bomb)
I worry that you'll break my heart in two.
