

# Black Coffee

## All Saints

1. Night swimming  
Beach walking  
Always silent  
Never talking  
Then you call my name  
And I know inside I love you  
Sail away  
I miss you more  
Until you see the shore  
There I will be waiting  
Anticipating

Each moment is new  
And breeds a moment  
Each moment is cool  
And breeds a moment

R: I wouldn't wanna be  
Anywhere else but here  
I wouldn't wanna change  
Anything at all (anything oh I..)  
I wouldn't wanna take  
Everything out on... you  
Though I know I do (although I know I do)  
Everytime I fall

2. Day dreaming  
Chain smoking  
Always laughin  
Always jokin  
I remain the same  
Did I tell you that I love you  
Brush your teeth  
And pour a cup of black coffee out  
I love to watch you do that every day  
The little things that you do

Each moment is new...

R: I wouldn't wanna be...

Each moment is cool  
And breeds a moment

R: I wouldn't wanna be...

3. Nice women  
Beach walking  
Always silent  
Never talking  
Then you call my name  
And I know inside I love you  
Sail away  
I miss you more  
Until you see the shore

There I will be waiting  
Anticipating
