

Black Coffee

All Saints

1. Night swimming
Beach walking
Always silent
Never talking
Then you call my name
And I know inside I love you
Sail away
I miss you more
Until you see the shore
There I will be waiting
Anticipating

Each moment is new
And breeds a moment
Each moment is cool
And breeds a moment

R: I wouldn't wanna be
Anywhere else but here
I wouldn't wanna change
Anything at all (anything oh I..)
I wouldn't wanna take
Everything out on... you
Though I know I do (although I know I do)
Everytime I fall

2. Day dreaming
Chain smoking
Always laughin
Always jokin
I remain the same
Did I tell you that I love you
Brush your teeth
And pour a cup of black coffee out
I love to watch you do that every day
The little things that you do

Each moment is new...

R: I wouldn't wanna be...

Each moment is cool
And breeds a moment

R: I wouldn't wanna be...

3. Nice women
Beach walking
Always silent
Never talking
Then you call my name
And I know inside I love you
Sail away
I miss you more
Until you see the shore

There I will be waiting
Anticipating
