

Never Ever

All Saints

1. A few questions that I need to know
How you could ever hurt me so
I need to know what I've done wrong
and how long it's been going on
2. Was it that I never paid enough attention?
Or did I not give enough affection?
Not only will your answers keep me sane,
but I'll know never to make the same mistake again
3. You can tell me to my face
Or even on the phone
You can write it in a letter
either way I have to know

Did I never treat you right?
Did I always start the fight?
Either way, I'm going out of my mind
All the answers to these questions I have to find.
4. My head's spinning
Boy I'm in a daze
I feel isolated
don't wanna communicate

I take a shower, I will scour, I will
roam
To find peace of mind, the happy mind
I once owned, oh...
5. Vexing vocabulary runs right through me
The alphabet runs right from A-Zee
Conversations, hesitations in my mind
you've got my conscience asking questions that I can't find

I'm not crazy
I'm sure I ain't done nothing wrong
I'm just waiting
Cause I heard that this feeling won't last that long
6. Never, ever have I ever felt so low
when you gonna take me out of this black hole
Never, ever have I felt so sad
The way you're feeling, yeah, you've got me feeling really bad

Never ever have I had to find
I've had to dig away to find my own peace of mind
I never, ever had the conscience to fight
The way I'm feeling, yeah, it just don't feel right
7. I keep searching
deep within my soul
for all the answers
don't want to hurt no more

I need peace gotta feel at ease
need to be

free from pain, going insane
my heart aches...

8. Sometimes vocabulary runs through my head
The alphabet runs right from A-Zed
Conversations, hesitations in my mind
you've got my conscience asking questions that I can't find

I'm not crazy
I'm sure I ain't done nothing wrong
I'm just waiting
Cause I heard that this feeling won't last that long

9. Never, ever have I ever felt so low
when you gonna take me out of this black hole
Never, ever have I felt so sad
The way you're feeling, yeah, you've got me feeling really bad

Never ever have I had to find
I've had to dig away to find my own peace of mind
I never, ever had the conscience to fight
The way I'm feeling, yeah, it just don't feel right
