

Red Flag

All Saints

Why didn't I see this coming?
Why didn't I smell your plans?
You blinded me with loving
Why didn't I hear the warning?
That time hanging on my door
Why didn't my feet stop running?

Why didn't I stop to listen?
Why didn't I hear my girls?
You fooled with your bluffing
Why didn't I feel that something
That alone bell didn't get served
Why didn't these heels stop strapping?

I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
You should've come with a warning
Red flag
Red flag

I know you soon may coming
I supposed it turned you on
You killed me with sweet nothing
You must've seen me coming
It didn't take you long
Why didn't my feet stop running?

I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
A moth to a burning flame
I was like a bull to a red rag
You should've come with a warning
Red flag

You should've come with a warning
Red flag
Red flag
