

The Song Of The Year

All Star United

Word to the GMA, I'm a big up trippin'
G gave me a song tonight
He's my dog, it's like I be Roger's
G he's my Hammerstein

I've got a song from above
Give it up for Jesus
Let's see if God gets a dove
And shows up to accept

This is the song of the year
Let the message be clear
I don't need you to adore me
Cuase it's all about God's glory
Something's gone really wrong
If we're chasing the song of the year

Testimony Testimony
Testimony Testimony
I'll never be the same
Holy holy worthy worthy something
something something something
That rhymes with Jesus name

That oughta do
Guess I'm through
Time to canonize
I like to write movies too
About Christian superheroes
Who join forces to ward off the anti-christ!

It's the song of the year
But God's still unimpressed
With our radio succes

This is the song of the year
Let the message be clear
I don't need you to adore me
Cause it's all about God's glory
Angel choirs sing along
If it's really the song of the year
