

Elvis lives in Greece  
has changed his name to Joe  
The lunar lander filmed in Disney's Studio  
God save me' I'm crazy? No!

I'm a weirdo for knowin' what I know?  
I'm a weirdo?  
Whatever floats your boat I'm a weirdo?  
I know I believe in You

Mikey died from little rocks that could go pop  
The army hides what just put circles in your crop  
Oh maybe and I'm crazy? No!

I'm a weirdo for knowin' what I know?  
I'm a weirdo?  
And dont it get your goat I'm a weirdo?  
I know I believe in You

We took a hit on the big bang  
It screwed up the yin yang  
If the truth is pig feed  
then God is Siegfried and Roy - oh boy

You know I believe it
