A Song for the Hopeless

All That Remains

The day has ended I lay awake A soft glow over my shoulder I'll sleep soon Wake tomorrow and then it's all the same And I'll destroy the memories one by one The bitter past erased I'll not replace What's done is done No belief is all that's left and I do not regret The darkness welcomes me back home And I am still my own Can't take away And I am still my own And I feel the pain still deeply It seems sometimes too much to bear And I have a core within me still My strength is there And I'll destroy the memories one by one The bitter past erased I'll not replace What's done is done No belief is all that's left and I do not regret The darkness welcomes me back home And I am still my own Can't take away And I am still my own Can't take away And I can't be made less I know who I am And I am still my own You cannot take away Can't take away You cannot take away Can't take away You cannot take away Can't take away You cannot take away And I am still my own Can't take away And I am still my own Can't take away

And I can't be made less

I know who I am
