### All That Remains

And I see nothing I can do would change this now  
This last caress I'll cherish forever  
If I could I would kiss all your tears away  
This emptiness can only bring sorrow

If you leave  
I will follow  
Wherever you go I will be there for you

I believe that our destines were entwined  
Now I see that my fate's been decided  
How I hope that in some way you'll remember me  
Can't you see that I'd lay down my life for you
