All That Remains

And I see nothing I can do would change this now
This last caress I'll cherish forever
If I could I would kiss all your tears away
This emptiness can only bring sorrow

If you leave
I will follow
Wherever you go I will be there for you

I believe that our destinies were entwined
Now I see that my fate's been decided
How I hope that in some way you'll remember me
Can't you see that I'd lay down my life for you
