

# Life of the Party

All Time Low

All these people are passed out  
On the floor in my hotel room  
I don't know half of them  
But they all wanna know me  
And it's 4 in the morning  
I'm just trying to fix myself  
What the hell did I do?  
I'm the life of the party  
(I'm the life of the party)

Somewhere in between  
Who I used to be  
And who I'll be tomorrow  
When the champagne blows my mind  
Thrills don't come for free  
The price you pay for dreams  
In a sea of strangers  
I can't find me anymore  
I can't find me anymore

I keep thinking about you  
How you level me out sometimes  
When I'm out of my head  
And I don't wanna face it  
You said it's all for a reason  
But what the fuck is the reason now?  
Coming down, bring me back  
I'm the life of the party  
(I'm the life of the party)

Somewhere in between  
Who I used to be  
And who I'll be tomorrow  
When the champagne blows my mind  
Thrills don't come for free  
The price you pay for dreams  
In a sea of strangers  
I can't find me anymore  
I can't find me anymore  
I can't find me anymore

Now it's 4 in the morning  
And I'm trying to fix myself  
What the hell did I do?  
I'm the life of the party  
It's so hard to imagine  
Who I'd be if I walked away  
Never know what it's like  
To be the life of the party  
I'm the life of the party  
Yeah  
I'm the life of the party

Somewhere in between  
Who I used to be  
And who I'll be tomorrow  
When the champagne blows my mind

Thrills don't come for free  
The price you pay for dreams  
In a sea of strangers  
I can't find me anymore  
I can't find me anymore  
In a sea of strangers  
I can't find me anymore
