

Painting Flowers

All Time Low

Strange maze, what is this place?
I hear voices over my shoulder,
Nothing's making sense at all.
Wonder, why do we race?
When everyday we're runnin' in circles,
Such a funny way to fall.
Tried to open up my eyes,
I'm hopin' for a chance to make it alright.

When I wake up,
The dream isn't done.
I wanna see your face,
And know I made it home.
If nothing is true,
What more can I do?
I am still painting flowers for you.

Show my cards,
Gave you my heart,
Wish we could start all over.
Nothing's makin' sense at all.
Tried to open up my eyes,
I'm hopin' for a chance to make it alright.

When I wake up,
The dream isn't done.
I wanna see your face,
And know I made it home.
If nothing is true,
What more can I do?
I am still painting flowers for you,
I am still painting flowers for you.

I heard everything you said,
I don't wanna lose my head,

When I wake up,
The dream isn't done.
I wanna see your face,
And know I made it home.
If nothing is true,
What more can I do?
I am still painting flowers for you,
I am still painting flowers for you.
