

# Weightless

All Time Low

Manage me, I'm a mess  
Turn a page, I'm a book half unread  
I wanna be laughed at  
Laughed with, just because  
I wanna feel weightless  
And that should be enough

But I'm stuck in this fucking rut  
Waiting on a second hand pick me up  
And I'm over getting older  
If I could just find the time  
Then I would never let another day go by  
I'm over getting old!

And maybe it's not my weekend  
But it's gonna be my year  
And I'm so sick of watching while the minutes pass  
As I go nowhere  
And this is my reaction  
To everything I fear  
'Cause I've been going crazy  
I don't wanna waste another minute here

Make believe that I impress  
That every word by design turns a head  
I wanna feel reckless  
Wanna live it up just because  
I wanna feel weightless  
'Cause that would be enough  
If I could just find the time  
Then I would never let another day go by  
I'm over, getting old!

And maybe it's not my weekend  
But it's gonna be my year  
And I'm so sick of watching while the minutes pass  
As I go nowhere  
And this is my reaction  
To everything I fear  
'Cause I've been going crazy  
I don't wanna waste another minute here

This could be all I've waited for  
And this could be everything I don't wanna dream anymore

And maybe it's not my weekend  
But it's gonna be my year  
And I've been going crazy, I'm stuck in here

And maybe it's not my weekend  
But it's gonna be my year  
And I'm so sick of watching while the minutes pass As I go nowhere  
And this is my reaction  
To everything I fear  
'Cause I've been going crazy  
I don't wanna waste another minute here
