

I've got a frog in my pocket.  
I like it anyway.  
It's not a big frog  
One time I tried to hock it.  
You can't get much for  
But you can fun with an amphibian  
That kind of frog these days.  
Just put it back when you're done  
Back in your pocket, pocket  
or else he'll jump away.  
I know it's only a frog  
it's not a prize winning hog  
It's not a cat or a dog  
but don't you knock it, knock it.  
Just the other day  
I had a frog just like that  
I heard this old man say.  
One day I let ol' Oscar get away.  
When I was much, much younger.  
And I raised Oscar from a polywog.  
One night he lost himself in a fog  
I swear to God I do miss that frog.

When I was much, much younger.  
I had a frog just like that  
One day I let ol' Oscar get away.  
The other night,  
We had a similar fog.  
I thought I saw him in a hollow log.  
I swear to God I do miss that frog.
