

# Wasting Time

Allday

We're only wasting time  
We're only wasting time baby  
I'll see you at the finish  
(At the finish line) line  
We're only wasting time  
Here with you, oh-woah-oh  
[x2]

Holding your head down  
They holding your head down  
Talking about living for the summer  
But you're working all year round  
I'm always hanging at the club  
Until the bouncers say "Get out"  
Wait for something good to happen  
But it's happening here and now  
I swear that all my friends are no good for me  
I swear that all your friends see no good in me  
You know, just call me when I cross your mind  
We talk, you blow it like it's goldeneye  
On 64, one of a kind  
You tell me that there's more to life  
I always said "I come/cum and go"  
Life is tryna take you dancing all night long  
And fuck you slow and never call back  
Or maybe that's me, I just don't know  
I'm taking yours, you're taking mine

We're only wasting time  
We're only wasting time baby  
I'll see you at the finish  
(At the finish line) line  
We're only wasting time  
Here with you, oh-woah-oh  
[x2]

Crosses on my neck  
Crosses on my neck  
'Bout to crucify that ass  
You're bein' so bad, that's what you get  
Mean I never see you 'round here  
And I'm in here all the time  
Guess you're sick of all the talking  
You've been hearing all those lies  
But you're sooo nice  
Yeah, manners like the rich  
Drinking heavy, yeah every week  
My homies gone, your ripped early  
Your uh-hh  
I hit and talk it, I don't think to mention it, uh  
This year, I'm ticking off all the things I never did, nah  
I still don't fight, I'm way too high  
I know you don't want to leave here  
I don't want to make you mine  
In the corner of the room  
If you ain't trippin', take a dive  
We all need someone to bitch about

We're only wasting time  
We're only wasting time baby  
I'll see you at the finish  
(At the finish line) line  
We're only wasting time  
Here with you, oh-woah-oh  
[x2]

You should do your thing  
You should do your thing  
Whatever that shit means  
I ain't not Hugh on the movie screen  
I'm such a reader from rain  
So fuck this mother nature  
Can't trust a bitch  
Just fuck a bitch  
Friends all say she'll just betray you  
Like another trader and it's just within 'em  
I ain't even sayin' I believe the worse  
When I was young and in love  
With being in love, got hurt from the things that hurt  
I ain't throwin' shade  
Its a sequoia tree, in the morning  
Guess what, where's the beat-boys  
Avoid the priest and the 'loyal' thief's  
Bitches don't need nobody else

We're only wasting time  
We're only wasting time baby  
I'll see you at the finish  
(At the finish line) line  
We're only wasting time  
Here with you, oh-woah-oh  
[x2]

(We're only wasting time)  
We're only wasting time  
[x3]

(We're only wasting time)  
Here with you, oh-woah-oh
