

Sometimes

Alle Farben

Whenever you're feeling lonely in our whacking world
When all the lights go out, your own land starts to blurt
When everything around you, seem to fall apart
And all that's left is bare, your feelings start to storm.

Sometimes you're feeling stronger
Sometimes you're feeling weak
Sometimes you're feeling colder
But the light will bring the heat.

Sometimes you're feeling lucky
Sometimes you're feeling on
But if you don't start believing,
One day you'll reach the sun
Oah oaaaah
Reach the sun.

Whenever you're feeling lonely
Walking in the storm
Close your eyes and tell me,
Can you feel the warmth?

Sometimes you're feeling stronger
Sometimes you're feeling weak
Sometimes you're feeling colder
But the light will bring the heat.

Sometimes you're feeling lucky
Sometimes you're feeling on
But when you don't start believing
One day you'll reach the sun,
Oah oaaaah
Reach the sun
Reach the sun
Ooh reach the sun
Ooh reach the sun.
