

## Secrets Of The Sequence

Allegaeon

As this new millennium dawns our knowledge grows  
Hormonal pathways mapped genes juxtaposed  
Redefining longevity  
Meeting pious acetosity

Genetic modification our chromosomes cease to fray  
DNA's Achilles heel oxidization torn away

So what do we do?  
So where do we go now that the secret's uncovered?  
So what do we do?  
So where do we go now that the sequence is deciphered?

Reconstruction for our supremacy  
To halt this constant path of mortality  
Redefining our design  
Continue to multiply and divide

Genetic modification our chromosomes cease to fray  
DNA's Achilles heel oxidation torn away

So what do we do?  
So where do we go now that the secret's uncovered?  
So what do we do?  
So where do we go now that the sequence is deciphered?

Life expectancy now infinity  
Fountain of youth is now a reality  
Population the new emergency  
Human perseverance to eternity

An intricate mitochondrial matrix  
Collides head on with humanity's ethics  
Redefining definitions  
Life and death extinction

Genetic modification our chromosomes cease to fray  
DNA's Achilles heel oxidation torn away

So what do we do?  
So where do we go now that the secret's uncovered?  
So what do we do?  
So where do we go now that the sequence is deciphered?
