

The Artist

Allen-Lande

I remember when, chasing shadows ends
As a child I was never like this
Many times I've tried, asking myself why
Why I still go on chasing this dream

What am I to do?
All I know is what I feel is true
It's a challenge for life
Every day feels like night

I, I will become, and when I've won
When I have conquered time and space
I will live on and you will remember what I've done

In another time, maybe somehow I
Would have gotten another chance
If their minds could change
Somehow rearranged
With eyes opened they'd see my deeds

What am I to do?
All I know is what I feel is true
It's a challenge for life
Every day feels like night

I, I will become, and when I've won
When I have conquered time and space
I will live on and you will remember what I've done

I, I will become, and when I've won
When I have conquered time and space
I will live on and you will remember what I've done
Written in stone, I will live on
You will remember what I've done
I, I will become, and when I've won
In time I'll live for ever on
