

Shelter

Allen Stone

I've been sleeping in these hotel beds,
And I can't find no, no damn rest,
And I just need a place to rest my head,
And I always find second best, oh,

She will be my shelter,
I knew it once I felt her,
She will be my shelter,
I knew it once I felt her,

And I ain't got any more energy,
And I can't find no, no damn release,
And I turned triumph into tragedy,
And I can't find no, no damn release, oh,

She will be my shelter,
I knew it once I felt her,
She will be my shelter,
I knew it once I felt her, yeah, ooh,

Yeah, that she's gonna be my shelter, yeah, ooh,
I just knew it once I felt her, yeah, ooh,
Yeah, that she's gonna be my shelter, yeah, ooh,

She will be my shelter,
I knew it once I felt her,
She will be my shelter,
I knew it once I felt her, yeah, ooh,

Yeah, that she's gonna be my shelter, yeah, ooh,
I just knew it once I felt her, yeah, ooh,
Yeah, that she's gonna be my shelter, yeah, ooh.
