

# Bitch

Allie X

Gonna bake and make your dinner  
I'll be your cook  
You can bring me home the bacon  
And chop the wood

Steal my blood and steal my heart  
Whatever it takes to get you off  
I'm your bitch  
You're my bitch  
Boom Boom  
In my bones and in my soul  
Always be in your control  
I'm your bitch you're my bitch  
Boom Boom

Give me that stuff that feels so pure  
Stamp me with your signature  
I'm your bitch  
You're my bitch  
Boom Boom  
We do things a different way  
It's up to you and it's up to me  
I'm your bitch your my bitch  
Boom Boom

Make the bed and do your laundry  
Tuck the corners in  
Read the news the business section

Steal my blood and steal my heart  
Whatever it takes to get you off  
I'm your bitch  
You're my bitch  
Boom Boom  
In my bones and in my soul  
Always be in your control  
I'm your bitch you're my bitch  
Boom Boom

Give me that stuff that feels so pure  
Stamp me with your signature  
I'm your bitch  
You're my bitch  
Boom Boom  
We do things a different way  
It's up to you and it's up to me  
I'm your bitch your my bitch  
Boom Boom  
Tell me how it's been
