Bitch

Gonna bake and make your dinner I'll be your cook You can bring me home the bacon And chop the wood

Steal my blood and steal my heart Whatever it takes to get you off I'm your bitch You're my bitch Boom Boom In my bones and in my soul Always be in your control I'm your bitch you're my bitch Boom Boom

Give me that stuff that feels so pure Stamp me with your signature I'm your bitch You're my bitch Boom Boom We do things a different way It's up to you and it's up to me I'm your bitch your my bitch Boom Boom

Make the bed and do your laundry Tuck the corners in Read the news the business section

Steal my blood and steal my heart Whatever it takes to get you off I'm your bitch You're my bitch Boom Boom In my bones and in my soul Always be in your control I'm your bitch you're my bitch Boom Boom

Give me that stuff that feels so pure Stamp me with your signature I'm your bitch You're my bitch Boom Boom We do things a different way It's up to you and it's up to me I'm your bitch your my bitch Boom Boom Tell me how it's been
