

# Simon Says

Allie X

Everyday I put my hands on my head  
Everyday my fingers are a gun  
Everyday I'm making strange faces  
Everyday I'm sticking out my tongue  
Everyday I take a step backwards  
Every night I bend and touch my toes  
But I'm never taking any action  
Not unless my baby says so

My mom says I'll fade away  
Sister says that she's scared  
My dad says I let him down  
But I don't care

'Cause Simon says, Na-na-na-na-na-na  
I'm the best, Na-na-na-na-na-na  
His princess, Na-na-na-na-na-na  
Hey, ha, ha, ha  
When Simon says, Na-na-na-na-na-na  
You're the best, Na-na-na-na-na-na  
I say yes, Na-na-na-na-na-na  
Hey, ha, ha, ha

Everyday in every way's a puzzle  
Pieces of a person are a game  
Love is still a mystery to me but  
Watch me move when I hear his name  
And I don't wanna talk about it right now  
I'd rather keep my visions to myself  
Everybody wants to block my man out  
But he's the only one that's gonna help

Me when my mind is weak  
And I'm gasping for air  
They all say I gotta stop  
But I don't care

'Cause Simon says, Na-na-na-na-na-na  
I'm the best, Na-na-na-na-na-na  
His princess, Na-na-na-na-na-na  
Hey, ha, ha, ha  
When Simon says, Na-na-na-na-na-na  
You're the best, Na-na-na-na-na-na  
I say yes, Na-na-na-na-na-na  
Hey, ha, ha, ha

I got a friend, you'll never see  
I got a friend, and he loves me  
I got a friend, you'll never see  
I got a friend, and he loves me
