

# Give In To Me

Allison Iraheta

He always takes it with a heart of stone  
'Cause all he does is throw it back to me  
I've spent a lifetime  
Looking for someone  
Don't try to understand me  
Just simply do the things I say

Love is a feeling  
Give it when I want it  
'Cause I'm on fire  
Quench my desire  
Give it when I want it  
Talk to me man  
Give in to me  
Give in to me

You always knew just how to make me cry  
And never did I ask you questions why  
It seems you get your kicks from hurting me  
Don't try to understand me  
Because your words just aren't enough

Love is a feeling  
Quench my desire  
Give it when I want it  
Takin' me higher  
Love is a man  
I don't wanna hear it  
Give in to me  
Give in to me

You and your friends  
Were laughing at me  
But it's okay  
Yes it's okay  
You wont be laughing boy  
When I'm not around  
I'll be okay  
And I'll, I'll never find  
Gotta, some peace of mind no

Love is a feeling  
Quench my desire  
Give it when I want it  
Takin' me higher  
Talk to me man  
Love is a feeling  
Give in to me  
Give in to me  
Give in to me

Love is a feeling  
I don't wanna hear it  
Quench my desire  
Takin' me higher  
Tell it to the preacher  
Satisfy the feeling

Give in to me  
Give in to me  
Give in to me

Give in to me
