

# Trouble Is

Allison Iraheta

I could slip so easily into you  
If I let myself go, oh oh  
I could let my wildest dream come true  
You never know, oh oh oh  
How it's gonna wind up in the end  
Will we be lovers or not even friends?

Trouble is  
I like the taste too much  
And I can't think straight  
People change  
And will you still be here after today  
Trouble is I feel like I could win or lose it all  
I don't know which way to fall

Don't forget the promises that we made  
Will knock out on the plate, oh oh  
We'd be back together once again  
And we would stay the same, oh oh  
Sometimes I think love can last  
But sometimes I think forever  
Is a thing of the past

Trouble is  
I like the taste too much  
And I can't think straight  
People change  
And will you still be here after today  
Trouble is I feel like I could win or lose it all  
I don't know which way to fall

Na Na Na Na Na Na Na Na (4x)  
Everything's so temporary  
Hold too tight and things just slip away  
Then you hold me, I'm in place

Trouble is  
I like the taste too much  
And I can't think straight  
People change  
And will you still be here after today  
Trouble is I feel like I could win or lose it all  
I don't know which way to fall

Na Na Na Na Na Na Na Na (3x)  
I don't know which way to fall
