

# All Aboard

Allison Moorer

Bandwagon rides for free  
Satisfaction guaranteed  
Fall in line and let it take you farther  
Hurry up they're going fast  
This special offer will not last  
All aboard yells the main street barker

All aboard all aboard  
All aboard all aboard

Sign up and get a flag  
Wear it proudly you can brag  
To the fools who didn't volunteer  
Some restrictions do apply  
Watch your mouth and close your eyes  
And we allow no yellow foreign queers

All aboard all aboard  
All aboard all aboard

A team of old white studs  
Pulls this rolling country club  
Climb right on in and take a seat  
Down the beaten path we'll run  
High stepping to the drummer's drum  
And if you don't love it you can leave

All aboard all aboard  
All aboard all aboard
