

If I Were Stronger

Allison Moorer

Wish there was something in my heart to give you
But I felt around and nothing's left
I'm trying to dig deeper but I've hit the bottom
I've gotta let go and save myself

But if I were stronger
I'd hold on longer
I'd be your savior and I'd stay
I'd love you better right through the anger
I'd hold on longer If I was stronger

I'm tired of talking because you just ain't hearing
You turn away each time I speak
Now my soul is weary threadbare and broken
And arms that were open feel so weak

But if I were stronger
I'd hold on longer
I'd be your savior and I'd stay
I'd love you better right through the anger
I'd hold on longer If I was stronger

You're about to fall and when I let go
You're gonna know who's holding on
And giving everything and every part of me
It hates to see you go
But baby then you'll be falling just the same
Because that's what's best for me

But if I were stronger
I'd hold on longer
I'd be your savior and I'd stay
I'd love you better right through the anger
I'd hold on longer If I was stronger
