

No Place For A Heart

Allison Moorer

And I apologize
I should've kept it hidden
Under wraps and out of sight
At least in the beginning

But I wanted you to see
What you meant to me
Turns out that wasn't smart
A sleeve is no place for the heart

Wish I could take back
The secret that I told you
But it's too late for that
Now you know the whole truth

Three stupid little words
You never should have heard
But I let down my guard
A sleeve is no place for the heart

Take one last look
Before it's gone
It's time I put it back
Where it belongs

Next time I will know
Not to let my feelings show
I'll keep 'em in the dark
A sleeve is no place for the heart

No place, no place
