Should I Be Concerned

Allison Moorer

Should I be concerned That my thoughts are dark that I fall apart over nothing And each sunset brings regret that another day will soon be daw ning

Should I be concerned Should I be alarmed That I'd rather stay in bed all day than get up And face the fact you're not coming back and nothing will ever be the same Should I be alarmed

Maybe I should call someone Maybe I don't need to be alone Maybe I just need someone To listen To my story

Should I be disturbed That my every move is outside the groove what am I thinking I might as well let it all go to hell what difference would it make Should I be disturbed
