

Chasing Amy

Allister

i picked up the phone and said hello
when i picked up the phone i didn't know
this girl would be making my world go round
we talked for an hour or two and she said
"hey kid i would love to see you"
and i said that would be so cool
she's so far away
she's so far away from me
i wanna see this girl
fall in love with me
and write a song about her
on our new LP
i wanna hold her tight
and keep her warm at night
and tell her
that she's the one for me
she's the one for me
now i want her to understand
that i just want to hold her hand
but we're a million miles apart
i wrote her a letter yesterday
to say how perfect we could be
cuz she already stole my heart
she's so far away
she's so far away from me
i wanna see this girl
fall in love with me
and write a song about her
on our new LP
i wanna hold her tight
and keep her warm at night
and tell her
that she's the one for me
she's the one for me
