

Diamond Ring

Allister

I don't have the looks and I don't have the money
I don't have no diamond ring
I don't have a job and I don't have a car
and I can't give you everything
But you are the one that I need
I know that you're perfect for me
So please give me just one more chance to get this right
and you'll see
Because tonight, you're all I want to night (4x)
I don't go to school, I ain't got no diploma
I don't have no GED
I don't have no stocks and I don't have a Trust Fund
Don't have much of anything
And now it seems I can't go five minutes without thinking of you
Or wishing I was hanging out with you tonight
