

## Don't Think Twice

Allister

Take these promises I've made  
And hold them strong  
Don't think twice about those things that I did wrong  
Cause I'd never do something intentionally just hurt you  
And I've stared at the sky  
and I've asked myself why you've become like an angel to me  
Still the days and the weeks and the hours go by  
and the minutes they just fade away  
And I'm missing you every second in time  
And it hurts cause you're so far away  
All tears that I cry when you're not by my side  
And those nights I dream of kissing you goodnight  
Are on my mind
