

Friday Night

Allister

it's friday night and i can't sleep
it's friday night and i can't sleep
too many thoughts inside of me
my head is spinning round feet
it's friday night i'm on the street
cuz i had to get something to drink
now my head's between my feet
now it's time for me to wake up
cuz i can't see what's going on
now it't time for me to wake up
it's time to turn myself around
throw my problems away
