

## Pretty Damn Close

Allister

The first time I saw you it was just my imagination  
The next time I saw you it was just another illusion  
Now I wish you could be here in my reality  
But I know you're just a dream  
Cuz I see you when I'm wasted and passed out on the floor  
And I think about you everyday  
Gina you don't know, you couldn't know it  
But you are the one for me  
I bet you that you don't know, I'm gonna show you  
That you are the one for me  
The first time I saw you it was just my imagination  
The next time I saw you it was just another illusion  
Now I see you lying with me every single night  
and I wonder what it's like to be yours  
But I'm not sentimental and I don't know what to say  
But I'll come pretty damn close  
Yeah you, you're driving me insane now cuz you're real...  
I come pretty damn close
