## **Residential Burglary**

it was just another boring friday night when things got a little out of control a record player and some cds is what he stole well he claims he wiped the finger prints clean off the stolen goods but it's too bad he didn't hide the evidence because he's going to jail andy is going to jail now he's sitting in jail with a drunk and a wifebeater he says the food tastes weird and the cell smells like piss and beer now he claims he wiped the finger prints clean off the stolen goods but it's too bad he didn't hide the evidence because he's going to jail andy is going to jail
