

Crazy Love

The Allman Brothers Band

Somewhere down on a back street
Way down deep in the back seat
Where I first learned how to moan your name,

I remember the night I met ya
Ooh sweet mama, I just cant forget ya
Cant stop thinkin bout your crazy love

Crazy love
Crazy love
I love you mama
But youre too bad to change

Crazy love
Crazy love
I love you mama
Uh, uh

Im laid up here lookin at my shoes
Stuck here with these hotel blues
I wish youd only just call me on the phone

Aint no doubt and I dont mean maybe
Whoo! i just cant forget about you baby
Cant stop thinkin bout your crazy love

Crazy love
Crazy love
I love you mama
But youre too bad to change
