

End of the Line

The Allman Brothers Band

And now the gravity of the trouble ... was more than I could bear
At times my luck was so bad ... I had to fold my hands
Almost lost my soul ... rarely I could find my head
Wake up early in the mornin' ... feelin' nearly dead

I was never afraid of danger ... took trouble on the chin
Mountains I have climbed ... that have killed a thousand men
Spent most of my lifetime downtown ... sleepin' behind the wheel
I never needed anybody ... I was king of the hill

Ohhh ... when I think about the old days
Lord, it sends chills up and down my spine
Hey life ain't what it seems ... on the boulevard of broken dream
s
Guess I opened my eyes in the nick of time
'Cause it sure felt like the end of the line

No matter how hard I run ... I just can't get away
I try to do my best ... but the devil gets in my way
Spent most of my lifetime downtown ... sleepin' behind the wheel
'Till it all came down ... to kill or be killed

Ohhh ... when I think about the old days
Lord, it sends chills up and down my spine
Hey life ain't what it seems ... on the boulevard of broken dream
s
Guess I opened my eyes in the nick of time
'Cause it sure felt like the end of the line

Felt like the end ... of the line
Yes it did ... of the line
Felt like the end ... of the line
