

# Leavin'

The Allman Brothers Band

Mama stood cryin' at the back door  
Papa's lacin' on his leavin' shoes  
Little Joe's blowin' on the horn outdoors  
I've seen enough, I can't take no more  
And I'm leavin'

Might go to Philadelphia, PA  
Might wind up in Boston, I just can't say  
Got my axe in one hand  
Got my Greyhound ticket in the other hand  
And I'm leavin'

I tell you I'm leavin'  
Gonna play my blues  
Yes I'm leavin'  
Got nothing to lose  
Well, I'm dying to get the hell out of here  
Right Away

Mama stood cryin' at the back door  
Papa's lacin' on his leavin' shoes  
Little Joe's blowin' on the horn outdoors  
I've seen enough, I can't take no more  
And I'm leavin'

I said I'm leavin'  
Gonna play my guitar  
I'm leavin'  
Don't care if I'm a big star  
I'm leavin' this old ghetto  
Right away, right away
