

Life As We Know It

Allstar Weekend

This is life, life, life
This is the life, life, life
This is life, life, life
This is the life, life, life

Four in the back
We're pulling up in the yard
Out in the streets
Somebody's looking out for cop cars
Girls on the roof say, "Hey we're stepping inside"
It looks like a scene out of American Pie

So now we're locked in the bathroom
Just me and Danielle
Running the showers
So they can't hear us yell
Out in the pool
There's lawn chairs in the water
Did you see Ronnie try to kiss Bruce Willis' daughter

Somebody pulled his pants down

This is life as we know it
Getting high, never growing up
We party all night, feeling alright
Party all night, let me hear you say yeah
This is life as we know it
We can die when we're older, baby
Party all night, feeling all right
Party all night, let me hear you say yeah

This is life, life, life
This is the life, life, life
This is life, life, life
This is the life, life, life

So yeah, we're cranking the anthem
It's Guns 'N Roses and Queen
Living it up
Baby, we're living the dream
Some dude is running 'round naked
We're laughing out loud
There's no where else I'd rather be but here and now

So come on shout it out loud

This is life as we know it
Getting high, never growing up
We party all night, feeling alright
Party all night, let me hear you say yeah
This is life as we know it
We can die when we're older, baby
Party all night, feeling all right
Party all night, let me hear you say yeah

This is life, life, life
This is the life, life, life

This is life, life, life
This is the life, life, life

When the sun comes up tomorrow
We won't regret anything
We don't got no rules to follow
We can do it all over again
Do it all over again

This is life as we know it
Getting high, never growing up
We party all night, feeling alright
Party all night, let me hear you say yeah
This is life as we know it
We can die when we're older, baby
Party all night, feeling all right
Party all night, let me hear you say yeah

This is life, life, life
This is the life, life, life
This is life, life, life
This is the life, life, life
