

Mr. Wonderful

Allstar Weekend

Mr. Wonderful
Mr. Wonderful

You and me and the palm trees
We could lay outside on the beach all night
We can swim with the dolphins, go golfing
Baby girl, you could be my life
Now don't go fallin' in love with Mr. Wonderful
And I won't go running around with any other girl

I'll sweep you off your feet
(You can thank me whenever)
I'll take you home with me
(If you can't find nothing better)
I put the sweetness in your tea
(Real deal not sweet and low)
You're a little bit out of my league
(But I'm going professional)

You and me and the palm trees
We could lay outside on the beach all night
We can swim with the dolphins, go golfing
Baby girl, you could be my life
Now don't go fallin' in love with Mr. Wonderful
And I won't go running around with any other girl

Who's on the other line?
(I'm standing right here)
We're running outta time
(We need to switch that gear)
Wouldn't mind being that stand-up guy
(So why are you sitting so weird)
You're a little bit out of your mind
(But I'm going crazy in here, crazy in here, crazy in here)

[x2:]
You and me and the palm trees
We could lay outside on the beach all night
We can swim with the dolphins, go golfing
Baby girl, you could be my life
Now don't go fallin' in love with Mr. Wonderful
And I won't go running around with any other girl

You can tell your girlfriends
That you'd run away with me
You can tell your family, that you set sail for the golden sea!
We could send them post cards baby,
We can live in luxury
I can see it now

[x2:]
You and me and the palm trees
We could lay outside on the beach all night
We could swim with the dolphins, go golfing
Baby girl, you could be my life
Now don't go fallin' in love with Mr. Wonderful
And I won't go running around with any other girl

(Mr. Wonderful) [x3]

And I won't go running around with any other girls
