

# Land Of Make Believe

Allstars

Stars in your eyes little one  
Where do you go to dream  
To a place we all know  
The land of make believe

Shadows tapping at your window  
Ghostly voices whisper  
Will you come and play  
Not for all the tea in China  
Or the corn in Carolina  
Never, never ever

\* They're running after you babe

\*\* Run for the sun little one  
You're an outlaw once again  
Time to change  
Superman will be with us while he can  
In the land of make believe

Something nasty in your garden's waiting  
Patiently 'til it can have your heart  
Try to go but it won't let you  
Don't you know it's out to get you  
Running, keep on running

Your world is turning from night to day  
Your dream is burning far, far away

Into the blue, you and I  
To the circus in the sky  
Captain Kidd's on the sand  
With the treasure close at hand  
In the land of make believe

In the land of make believe

(Run for the sun, run for the sun)

I've got a friend who comes to tea  
And no one else can see but me  
He came today, but had to go  
To visit you  
You'll never know
