## **Bittersweet**

(i gotta go)

i love you ohhh i love you oohh oh here we go again i'm lookin' at you you lookin' at me and i'm wonderin' what we gonna do where gon be in a few years baby now i'm contemplatin' is this real love that we makin' is it true love or are we fakin' you need to know i need to know never thought that we would ever come to this it is so perfect what we have true happiness and we've come so far we were meant to be in love forever never occured to me that we were meant to be with someone else touches filled with pain empty kissed feelings not the same and when we say the words "baby i love you" is that what really mean now i'm contemplatin' is this real love that we makin' is it true love or are we fakin' you need to know i need to know never thought that we would ever come to this it is so perfect what we have true happiness and we've come so far we were meant to be in love forever never occured to me that we were meant to be with someone else it's a shame that we just coldn't make it right (make it right) it's so bitter sweet but i have a freind for love and you have found a different kind love thats hard to find but i found my true love and i have to say " good bye" never thought that we would ever come to this it is so perfect what we have true happiness and we've come so far we were meant to be in love forever never occured to me that we were meant to be with someone else never thought that we would ever come to this it is so perfect what we have true happiness and we've come so far we were meant to be in love forever never occured to me that we were meant to be with someone else bye bye bye bye bye bye bye bye i gotta go

## Allure

ohhh ohh ohh
