

Good Things

Aloe Blacc

Hey lady, don't you remember you was my lover you was my friend

.

Hey sister, I know you remember you left me alone now you want back in.

Hey mama, don't you hear me? I can be a sucker for your love.

Hey girlfriend, I understand it is what it is and it was what it was.

And ever since you've been gone, it's been a lot of good things going on.

And ever since you left that day, it's been a lot of good things going my way.

What can I say? The clouds done rolled away.

What can I say? Ain't no more rainy days. no, no...

I'll tell you, when you left me I thought I would never love again.

Because you had me all confused and twisted up inside, I thought it was something that I did.

Oh honey, you wouldn't wanna know what was going on inside my head!

Now everything is fine, you're out of my mind.

I'm able to love myself instead.

Ever since you've been gone, it's been a lot of good things going on.

Ever since you left that day, it's been a lot of good things are come my way.

What more can I say? The clouds done rolled away.

What more can I say?

What more can I say? Ain't no more rainy days!

Now, don't you wish you would've stayed?

What more can I say?

Look at the good things, good things that I've made.

I made it without you, ever since you've been away.

Been a lot of good things, good things everyday.

Ever since you've been gone.

Been a lot of good things, good things going on. hey yeah

Ever since you left that day, it's been a lot of good things good things come my way!

Ever since you've been gonnnonnnnnne
