

# Loving You Is Killing Me

Aloe Blacc

1. Loving you is killing me  
When you know it should be thrilling me  
Loving you is choking me slowly  
When I'm with you I still feel real lonely  
Loving you is busting me  
You don't ever put your trust in me  
Loving you should mean that I'm your king  
You don't make me feel like anything  
  
R: Now I never knew you'd be so evil  
(How did you get to be so evil girl)  
  
Now you telling me I was bad to you  
(You don't know what your talking 'bout girl)  
  
Hear me when I say  
You can't just do whatever you want, girl
2. Loving you is killing me  
When it really should fulfill me  
Loving you is aching me sadly  
When I know it should be makin' me happy  
Loving you is like a twisted game  
Where the only thing I win is pain  
Loving you is hurtin' me  
Every word you say you murder me  
  
\*: Stop children, what's that sound  
Looking my heart all over the ground  
Stop children, whaddaya you see  
Why you keep shootin' at me  
  
R: I never knew you'd be so evil  
(How did you get to be so evil girl)  
  
Now you telling me that I'm bad to you  
(You don't know what your talking 'bout girl)  
  
Hear me when I say  
You can't just do whatever you want, girl
- \*: Loving you  
Is killing me  
Is killing me  
  
Loving you  
Is killing me  
Is killing me
3. Loving you is killing me  
When you know it should be building me  
Loving you is holding me back  
Why the hell you make me feel like that  
Loving you, ain't worth all the suff'ring  
In return you never give me nothing  
Here's the news about loving you  
Well it's something that I used to do

R: Well, I never knew you'd be so cold  
(How did you get to be so evil yeah)

Now you telling people I was bad to you  
(You don't know what your talking 'bout girl)

Hear me when I say  
You can't just do whatever you want, girl
