Wake Me Up

Feeling my way through the darkness Guided by a beating heart I can't tell where the journey will end But I know where it startsD They tell me I'm too young to understand They say I'm caught up in a dream Well life will pass me by if I don't open up my eyes Well that's fine by me

So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't knowD I was lost

So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't knowD I was lost

I tried carrying the weight of the world But I only have two hands I hope I get the chance to travel the world And I don't have any plans I wish that I could stay forever this young Not afraid to close my eyes Life's a gameD made for everyone And love is a prize

So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't know I was lost

So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't know I was lost I didn't know I was lost
