

Wanna Be With You

Aloe Blacc

I wanna be with you
I wanna be with you
Yeah, I wanna be with you
Yeah, I wanna be with you

When I wake up in the morning
I ask myself is there somewhere else that I'd rather be?
And the answer to the question I asked myself
It doesn't matter as long as you're with me

Cause, I wanna be with you
You know that is true
I wanna be with you
Oh, yes I do
I wanna be with you
And not by myself
I wanna be with you
Don't wanna be with nobody else

Now when I'm looking up at the stars I often wonder why
You're sitting here with me and not up in the sky
But I ain't gonna complain I got myself a good thing
You're an angel but i ain't giving back your wings

That's cause I wanna be with you
I like your style
I wanna be with you
Oh, you make me smile
I wanna be with you
And not by myself
I wanna be with you
Don't wanna be with nobody else

There ain't no doubt about it I'm addicted to your drug
No, I can't go without it
I've a thing for your sweet laugh

I wanna be with you
And not by myself
I wanna be with you
Don't wanna be with nobody else

When I'm driving in my car
I don't wanna get too far
Cause I always wanna be right next to you
So I put your pretty picture on my steering wheel
Now when I'm rolling I'm enjoying the view

I wanna be with you
'Till the very last day
I wanna be with you
When I'm old and grey
I wanna be with you
Until the pigs learn to fly
I wanna be with you
'Till the politicians learn to stop tellin' lies
I wanna be with you

Until hell freezes over
I wanna be with you
Until tiger blood gets sober
I wanna be with you
And not by myself.
I wanna be with you
And nobody else

Cause I wanna be with you.
