Because I'm gonna scream out  
All the information

All of my girls all wanna meet ya  
Everyone's here  
We're waiting for you  
Boys I'm tellin' you  
Take this invitation  
Girls, I know you're ready  
And you know what to do

Listen up boys, can you hear me?

Can you hear me boys  
Don't wait 'til tomorrow  
Can you hear me boys  
Let me see you  
Let me hear you
