

Rise Of The Phoenix

Alove For Enemies

I pray for the flames to take me away from this wretched life and bring me home
Up against this wall with my heart split in two
Drinking life away
What else could I do?
Jesus set me free from my blasphemy
Help me to rise up from these ashes again
Here I go again with nothing left to lose
Wasting life away
What else can I do?
Someone set me free from my misery
Help me to rise up from these ashes again
Go!
The flames will bring me home
The flames will bring me home
I pray for the flames to take me away from this wretched life and bring me home
Up against this wall with my heart split in two
Drinking life away
What else could I do?
Jesus set me free from my blasphemy
Help me to rise up from these ashes again
Rising from the ashes
Rising from the ashes
