A little poison numbs the senses Slows the flow - slow the flow Nothing simpler See it's easy Bring it on Bring it on I'll show you all I'll prove you wrong, in a while It's peculiar Doesn't hurt me anymore, anymore And I'll show you all I'll prove you wrong In a while, in a while Watch me fly Heights don't scare me The sky is mine You won't stop me A little poison numbs the senses Send them in, send them in Yes I'll show you all And prove you wrong In a while, in a while Watch me fly Heights don't scare me The sky is mine You won't stop me As i show you all And prove you wrong In a while, in a while
