

Always Up with You

Alphabeat

Slow down, going out of my mind,
But it's fine, I don't mind, I really don't mind it
No fright, gotta hang tight, ignite,
Come to light, I got to get it out

You never get me down, I'm always up with you,
Never get me down I'm always up with you,
You never get me down, I'm always up with you,
Never get me down I'm always up with you

I'm always up with you,
No matter what you do,
I'm always up with you,
No matter, no matter

It goes straight to your head it's so safe to say,
I wouldn't mind, no I really wouldn't mind but I,
Need time, can't walk on this line,
It's to late to resign and I've got to let you know now

You never get me down, I'm always up with you,
Never get me down I'm always up with you,
You never get me down, I'm always up with you,
Never get me down I'm always up with you,

I'm always up with you,
No matter what you do,
I'm always up with you,
No matter, no matter
I wouldn't go anywhere without you baby,
I don't wanna take one step
You never get me down, I'm always up with you,
Never get me down I'm always up with you,
You never get me down, I'm always up with you,
Never get me down I'm always up with you,

I'm always up with you,
No matter what you do,
I'm always up with you,
No matter, no matter [x2]
