Baby let's quit playing chess You've been to my address You keep checking me out I wanna get loud Stop playing mouse and cat I'm telling you that I'm gonna win I'm checking you in

Babe it's my move 'Cause we play by my rules We've got time, got time

I can't do this anymore Come on baby let's quit Playing chess

I've been anticipating your move You're hesitating Baby I'm waiting, I'm waiting I'm moving the queen You know what it means You're gonna swing I'm taking your king
